

MILTON

MILTON

Milton is one of the leading manufacturers and marketers of houseware products in the country. Since our inception in 1972 we have established a network of over 55,000 + retailers, and strategically-placed manufacturing units across India. This has allowed us to constantly move forward in our endeavour to innovate better and more efficient products for our customers. Our unwavering commitment to this goal, has won us loyalty in India, and across more than 60 countries worldwide.

Milton, along with Claro, Spotzero, and Treo, is a part of the Hamilton Group of companies.

— CLOSING PROCEDURE —

CLOSE THE LID

Place the lid on the container, starting from the back, press the lid on the edges and move forward till the lid is completely closed.

PUSH OUT THE AIR

As shown in the image, while pressing the lid in the center with your thumb, open the lid slightly and allow the air to move out and close in again. Thus the container would avoid leakage.

STACK-IT FEATURE

A black Milton thermos with a copper band is the central focus of the image. It is positioned vertically against a dark, textured background that includes a piece of driftwood on the left. The word "MILTON" is written in large, orange, sans-serif capital letters across the middle of the thermos.
